## ORTHOPAEDIC REPAIR PRICES

Circle as required

### BUILD UP

Lightweight build up material is attached and shaped to the exact specification of the client.

First ½ inch £30.00

Additional ½ inch £10

### LOWERING

Heel lowering up to half an inch on ladies shoes.

£20.00

### ROCKER BARS

A bar is fitted under the sole on the ball of the foot to aid walking.

The price for this kind of work includes the cost of a new sole as this must be fitted over the bar.

£10.00 + New Sole

As with many shoe repairs/alterations the work involved is specific to both the individual and the shoes themselves.

Please do not hesitate to call us to discuss any required services in further detail.

For alterations such as build ups please feel free to note down specifics on the reverse of this form including measurements and diagrams.
